### **Statement of Progress**

The Authority continues to make significant progress in its efforts to meet its goals.

- A. The AHA has greatly increased its leased vouchers numbers and we are near its maximum budgetary limits for the vouchers we have been given. In order to maximize the number of units served, we are considering the conversion of some of our vouchers for project based family initiatives.
- B. In an effort to increase affordable housing in the community, the Authority attempted to work with the Mass. DHCD to purchase a 40 -unit duplex unit complex consisting of two and 3 bedroom units. Limitations of MGL 121B would not allow the authority to go with this mixed housing proposal.

The Authority is currently working with the Town's non-profit, Housing Corporation of Arlington, in hopes of acquiring additional family 2 and 3 bedroom units in the community that would be available to Section 8 Voucher holders.

- C. The AHA opened its Section 8 Waiting List in early 2002, and is currently assisting a new group of families needing affordable housing.
- D. The AHA has recently updated its computer system. The new system allows for an expanded noticing capability.
- E. The AHA has submitted its request for additional FSS funding. This funding was not provided to us last year.

We expect a continuation of this positive effort over the remaining years of this plan.
